Dear Candidate McIntire:

I am pleased to inform you that the National Federation of Independent Business Oregon Political Action Committee has endorsed your candidacy for State Representative, 56th District.

NFIB is the nation's leading small business advocacy organization. In Oregon, thousands of NFIB member-businesses employ more than 60,000 Oregonians. Small businesses represent an overwhelming majority of the total businesses in Oregon and employ over half of the state's private sector workforce.

By receiving the endorsement of the NFIB Oregon Political Action Committee, you have demonstrated your willingness and ability to fight for small business in Salem. Your policy positions on small business issues show you intend to fight to protect our free enterprise system and understand the importance of small business to our state's economy.

As a candidate endorsed by the NFIB ORPAC, you may indicate our support in your campaign materials. A signed SEL 400 form (statement of endorsement for the official 2022 General Election voters' pamphlet) will be provided to you upon request.

Congratulations, and thank you for your efforts on behalf of small business.

Best regards,
